

WHAT DOES an AI Chief of Staff actually do?

Swipe → to learn

It's not about replacing work.

It's about structuring it

hirejeeves.ai

Jeeves helps you:

- organize workflows
- connect tools
- simplify decisions

hirejeeves.ai

Instead of jumping between apps

everything flows in one system.

hirejeeves.ai

From planning to execution to optimization

Everything is handled.

hirejeeves.ai

You don't need more tools.

You need something that makes them work
together.

hirejeeves.ai

Know a business
that's
overwhelmed by
tools and
workflows?

Send this to them.

Or save it for when you're ready to simplify.
